

Name	Shaun Matlou
Surname	Rakgoale
Student Number	ST10487660
Module	WEDE5020
Due date	27 August 2025

POE PART 1

Business i1: Blu Sky – Online Movie Store & Streaming Platform

Blu Sky: An Online Movie Store and Streaming Platform

Blu Sky is a modern digital entertainment company founded in 2023, with the mission of providing movie enthusiasts with easy access to a wide variety of films. The organisation was created to address the growing demand for convenient online access to movies, including both digital streaming and physical copies. Since its inception, Blu Sky has focused on curating a diverse selection of films, ranging from timeless classics to contemporary releases and independent productions. The organisation's mission is to make movies accessible to everyone, anytime and anywhere, while its vision is to become the leading online destination for movie lovers in South Africa.

The target audience for Blu Sky includes a broad spectrum of movie enthusiasts, from casual viewers and families to students and independent film fans. By catering to this diverse group, Blu Sky ensures that its platform provides something for everyone, whether users are looking to watch popular blockbusters, explore niche genres, or discover hidden cinematic gems. The organisation values user experience and engagement, aiming to build a community where movie lovers can explore, discuss, and enjoy films in a seamless online environment.

Blu Sky's website is designed to reflect the organisation's commitment to accessibility, variety, and entertainment. The primary goal of the website is to serve as an intuitive, engaging platform where users can browse and explore the movie catalogue easily. The website will feature categories that allow users to filter movies by genre, release year, and popularity, and each film will include detailed information such as summaries, cast, trailers, and user reviews. The platform will also highlight new releases and special collections, ensuring that users can stay up-to-date with the latest films and curated recommendations.

In addition to providing movie access, Blu Sky seeks to engage users with supplementary content, such as movie reviews, recommendations, and news about upcoming releases. The website also aims to encourage interaction through user ratings and reviews, helping to create a sense of community among movie enthusiasts. By combining high-quality content, easy navigation, and a focus on the needs of its audience, Blu Sky strives to offer a digital experience that reflects its values and mission.

Business idea 2: Blu Sky – Movie-Themed Café and Entertainment Hub

Blu Sky: Movie-Themed Café and Entertainment Hub

Blu Sky is an innovative entertainment organisation founded in 2023, designed to combine the love of cinema with social experiences. Unlike traditional movie platforms, Blu Sky operates as a movie-themed café and community hub where movie enthusiasts can gather, enjoy themed refreshments, and participate in interactive film-related events. The organisation was created to provide a unique space that brings together cinema lovers in a physical environment, offering both entertainment and social engagement. Blu Sky's mission is to foster a community of film enthusiasts while providing an enjoyable and immersive experience. Its vision is to become a leading cultural and social hub where movies inspire connection and creativity.

The target audience for Blu Sky includes movie enthusiasts, students, families, and young professionals who enjoy cinema and social experiences. The organisation focuses on creating an inclusive environment where people can watch films, participate in themed events such as trivia nights or screenings, and enjoy food and beverages inspired by popular movies. By catering to this audience, Blu Sky bridges the gap between digital media and real-life interaction, offering a tangible experience that complements online movie consumption.

The core concept of the Blu Sky café revolves around themed décor, curated film screenings, and interactive events. The venue hosts regular movie nights, film festivals, and discussion sessions, creating opportunities for engagement and entertainment. The menu is designed to reflect popular films and genres, with creatively named snacks, drinks, and desserts that tie into the cinematic theme. In addition to food and entertainment, Blu Sky provides spaces for community interaction, workshops, and collaborations with local filmmakers and artists.

Blu Sky emphasises creating an immersive and memorable experience. Patrons are encouraged to interact with the environment through movie-themed games, events, and photo opportunities. The organisation also engages its audience through social media, promoting upcoming events and sharing highlights from previous screenings. By blending entertainment, social interaction, and cinema culture, Blu Sky offers a unique alternative to conventional cafés and movie experiences.
